A Non-Profit Organization of Hudson Residents committed to preserving the beauty that New Hampshire has to offer while seeing that all Taxpayers are treated equally within the guidelines set forth by the Town and State.

TPHR-2Z Fed ID #02-0509848

Since 1998 the TPHR-2Z has been fundraising to defray the costs incurred by our challenge of a wrongful decision for a permit issuance made by the Hudson Zoning Administrator.

Many residents of the Town of Hudson have been generous with contributions as well with donations during fundraisers which have included Yard Sales and Auctions. To these individuals we are grateful for their generosity and continued support. [View List](#)
